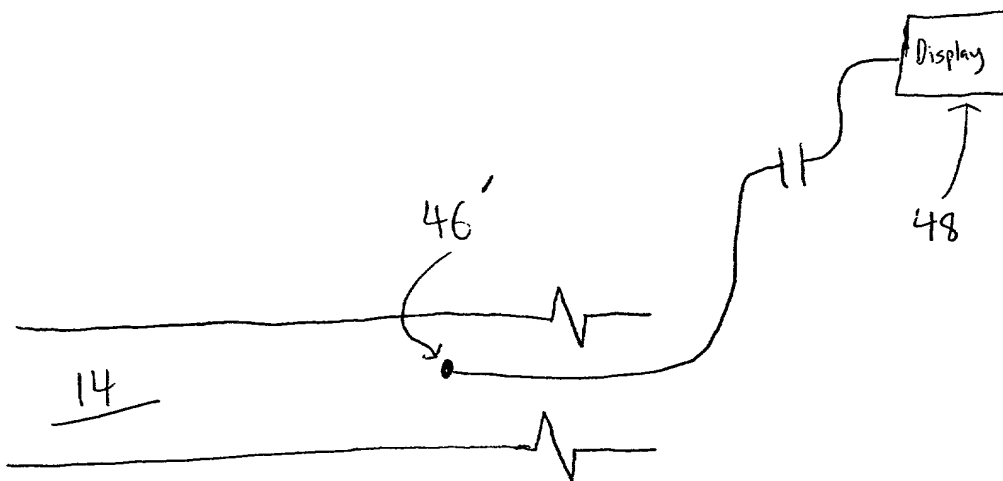

FIG. 8

This drawing is not to scale and is intended to illustrate the general principles of the invention. The actual dimensions and proportions of the components may vary without departing from the scope of the invention.

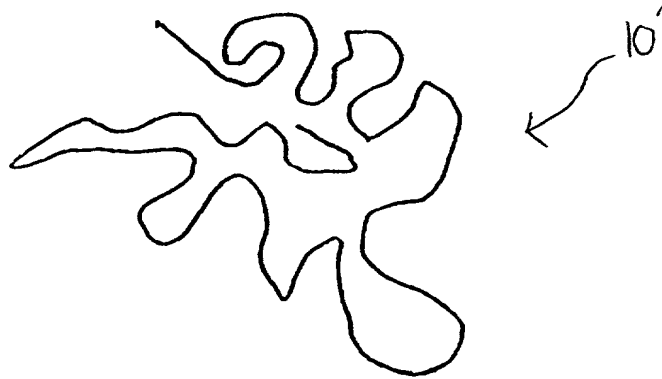

FIG. 9

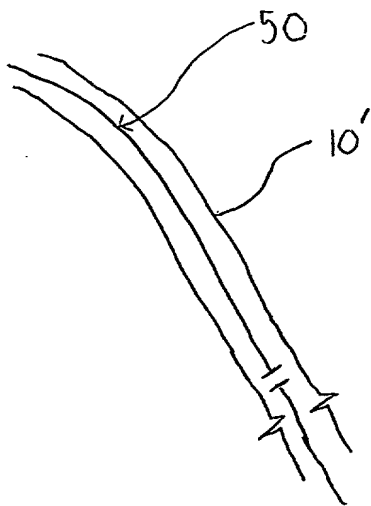

FIG. 10

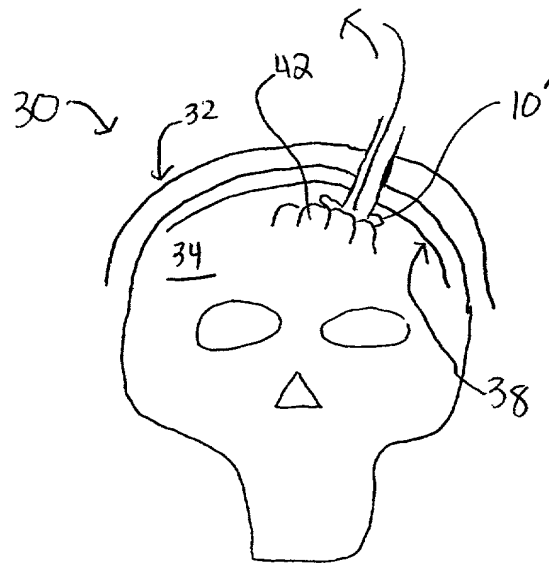

FIG. 11

Hand-drawn diagram of a human skull in profile. Various parts are labeled with numbers: '30' points to the top of the skull, '32' points to the forehead, '34' points to the eye socket, '38' points to the jaw, and '42' points to the top of the head. An arrow points from the label '10'' to the top of the skull.
